SECURITY GUARD WINS RM13.4 MILLION TOTO JACKPOT

It was a life changing experience for a security guard from Sabah to win the RM13.4 million Toto 4D Jackpot 1 on 2 March 2024.

The 53-year-old winner, who has been working as a security guard for over 20 years, told STM Lottery Sdn Bhd that the set of winning numbers – 1203 & 1227 was a combination of his birth date and car registration number.

“I bought these two numbers which only cost me RM2.30 (including Sabah’s sales tax of RM0.30) to be rich.

“I thought I might still continue to work until my retirement, but after looking at the interest alone if I deposit the winnings, I would no longer need to work,” he said joyfully.

The winner said his wife could not stop crying when he told her the good news as they could now realise their dream to build a house big enough to accommodate his entire family including the siblings in Sabah.

“Being an indigenous Sabahan, I can now make a difference for my people, I want to go back and develop my village,” he added.

The lucky winner won a whopping RM13,403,860.25 out of the total jackpot of RM14,962,901.80. The balance of the jackpot amounting to RM1,559,041.55 was shared by two i-System winners from Sabah and Kuala Lumpur.
